HOC SIGNO FORTUNA

BALTIMORE. WEDNESDAY. January 23, 1822.

We beg leave to present to the public through-out the United States our best acknowledgements, for the great partiality shewn to our office heretofore, and for the continuation of their patronage, which is daily encreasing; in return for which, we are gratified in having distributed more Capital prizes, than any other office in America; in fact, the great success attending the investments of distant adventurers at our office, has been often remarked. In the State lottery, which was completed last month, we had the pleasure of selling the 40,000 dollar prize—the 10,000 prize—part of a 5,000 dollar prize—besides many of One Thousand dollars, to adventurers residing in the Country, as will be noticed in the list on our third page.

In the last Monument lotteries, amongst SIX of the great Capitals which were sold at Cohen's Office, no less than FIVE were sent to distant adventurers, viz.

No. 26119 a capital prize of 30,000 dollars

No. 16346 a capital prize of 20,000 dollars

No. 32596 a capital prize of 20,000 dollars

No. 2746 a capital prize of 10,000 dollars

No. 2265 a capital prize of 10,000 dollars

besides a large number of minor importance.—The great capital of 40,000 dollars, which was drawn by No. 23163, we sold in shares to residents in this city. In the next Monument Lottery, which will commence 22d of NEXT MONTH, we anticipate the pleasure of our office again being the medium of dispensing the favors of Fortune.

For the satisfaction of adventurers in every part of the Union, the Managers have determined to publish in this paper, the official lists of each drawing of the Washington Monument Lottery, and which will include the numbers both of the Blanks and the Prizes, as well as the situation of the scheme from time to time. This will be a two fold advantage to the distant adventurer, because the holder of a small prize will be thereby informed of it, and will enable him to send it on immediately for renewal; while on the other hand, the adventurer whose number may draw a blank will also be notified of it, and can if he thinks proper make a new investment, should the state of the wheel at that time justify it.

Twenty-Nine Capital Prizes

are contained in the brilliant and patriotic scheme of the WASHINGTON MONUMENT LOTTERY. From the spirited demand for the Tickets, the Managers have been enabled and will accordingly commence the drawing on the 22d of next month, when in honor of the day, (being the anniversary of the birth of WASHINGTON,) the first drawn Number will be entitled to *Three Thousand Dollars*.

It will be recollected that there will be no risk in the Monument Lottery, during a considerable portion of the drawing, as the first drawn 3000 blanks are entitled to Ten Dollars each! agreeably to the scheme. The advantage this gives to early adventurers, is so obvious that this is no doubt one amongst the causes in this patriotic scheme, which has led to the spirited demand for the tickets.

The grocers, wine merchants, &c. of Boston have entered into similar resolutions to those adopted in New York, not to purchase at auction within the term of one year.

The following is a recapitulation of the number of officers, &c.

There is a project pending before the Legislature of Maryland, so to alter the Constitution, that the Governor shall hereafter be elected by the people; that he shall be elected for three years alternately, from the Eastern and Western shores, and that the same person shall not be eligible twice in succession to the office. The Council is to be abolished, appointments of judges and the attorney general, to be made by the Governor, with the advice and consent of the Senate—all other appointments to be made by the Governor alone.

[Gaz.]

The annual Cattle Show and Fair of the Maryland Agricultural Society, will be held at the Maryland Tavern, four miles from Baltimore, on the last Thursday and Friday in May next. Premiums in pieces of Silver Plate, amounting in value to \$500 will be distributed.

Post Office Revenues.—According to the calculation made in the N. H. Patriot, the amount of Postage paid in that State, the present year, will probably be \$7,300—expenses of transportation 5630. The principal Post Office Revenue is from the large commercial towns. Boston pays about 10,000 per quarter, New York formerly paid 27,000, Philadelphia, about 25 000. New York now pays 18,000, Philadelphia 15,000.

The Deaths in Boston, in the year 1821, according to the report of the Board of Health, were 1420. Of this number 149 were of the Measles. In the above number are included 116 still born children, and 535 children under ten years of age.

Extraordinary Despatch.—An instance of the quickest communication between New York and New Orleans, perhaps ever known, has recently occurred, having been effected by two of the brigs belonging to the line of packets. Answers to letters from New Orleans brought by the Fanny, were received at that port by the Edward in twenty-eight days from the date. The time required for this communication by mail, is about sixty days.

Green Room Festival.—The gentlemen attached to the New-York theatrical corps gave their anniversary supper last night in the saloon of the theatre. The entertainment was splendid, the guests numerous, and the various talent of the hosts was successfully exerted for the gratification of the company. After the supper, Mr. Price, the manager of the theatre, rose, and after an appropriate complimentary address, presented Mr. Noah with two splendid silver pitchers, as a testimony of personal esteem, and of a sense of the benefit derived from his productions.—*American*.

Trait of Character.—BUONAPARTE. When the death of Washington was announced to Buonaparte, then First Consul of France, he had the following order issued to the armies of the Republic.

"Order of the day for the Consular Guard and all the troops of the Republic.

"WASHINGTON is no more—that great man fought against tyranny: he firmly established the liberty of his country: his memory will ever be dear to the French people, as it must be to every friend to freedom in the two worlds, and especially to the French soldiers, who, like him and the Americans, bravely fight for liberty. The FIRST CONSUL, in consequence, orders, that for ten days black crape shall be suspended to all the standards and flags of the French Republic."

NAPOLEON.

New-York Constitution.—The result of the votes for the amended Constitution, in the city of New-York, gives a majority of 4638, in favour of its adoption.—The majority in favour of a Convention last spring was 4733. In the state, it is estimated the majority in its favour will be 40 or 50,000.

WINCHESTER, Jan. 12.

Valley Bank.—The general meeting of the Stockholders of the Bank of the Valley was held at the Banking house in this place on Monday last; a very considerable number of Stockholders and Proxies were present. A fair and perspicuous statement of the situation of the Bank and its branches was presented to them, and afforded perfect satisfaction to all concerned. The bank is undeniably in a most prosperous condition, and we venture the opinion that no similar institution in the United States is managed with more judgment and integrity. The Stockholders were themselves so well satisfied of this fact, that no one manifested a wish to have any change in the direction; consequently the same gentlemen who the last year, and for several preceding years, directed the institution, were again chosen for that purpose.

Appointment of Representation—In committee of the whole, on Friday, in the House of Representatives, the orders of the day, prior to the bill apportioning the ratio of Representation according to the census of 1820, were postponed in order to act upon that bill at once. Different numbers, from 75,000 to 35,000 were proposed and successively negatived, until the question was put on 42,000, being the number proposed by Mr. Edwards, of N. C. which was carried, ayes 81, noes 71. In the house, on motion of Mr. Randolph, the question of concurrence in the report of the committee was postponed until Monday week.

The Legislature of North Carolina, have passed an act, making it an indictable offence to injure or deface the *Statue of Washington*, which placed in a conspicuous part of the Capitol of the State.
